Dear Prof. Dong,

A lot of congrats for receiving the ACP Lectureship Award from the Taiwan side!

I am writing to invite you to visit Taiwan and have a 6-day lecture trip during March 25th – 30th, 2018. The purpose is to have an extensive interaction with our research fellows, including three talks in Academia Sinica, National Tsing Hua University, and National Sun Yat-Sen University and to develop possibility of scientific collaboration in the future. According to the ACP rule, we'll cover all the local expenses during your stay from March 25th to 30th. However you need to find the financial support to cover your airfare from your side. The visiting schedule is provided simultaneously.

I trust this letter will be sufficient for you to obtain permission to Taiwan. Please let me know if you require additional information.

I look forward to meeting you in Taiwan. Wish you a prosperous and happy New Year 2018!

Sincerely yours,

A handwritten signature in black ink that reads 'Shang-Cheng Hung'.

Shang-Cheng Hung

Director of Genomics Research Center
