Dear Professor Suwei Dong,

It is my great pleasure to invite you to visit Stockholm University for the period from August 1st to August 4th, 2017. Your visit will be supported by the Department of Organic Chemistry, as part of the collaborative project with Dr. Johnston entitled "A Biomimetic Ligation Technology for The Synthesis of Homogenously Glycosylated Proteins" funded by The Swedish Foundation for International Cooperation in Research and Higher Education (Dnr: IB2016-6555). Also, we would like to invite you to present a talk on your research in the programme of our research seminars during your visit.

The Department of Organic Chemistry will cover the costs of your travel, accommodation and subsistence expenses related to your visit. The Department of Organic Chemistry does not provide insurance services, and this is a responsibility of all visitors to have a comprehensive travel insurance including the medical cover.

I very much hope that you are able to accept the invitation, and I am looking forward to welcoming you in Stockholm.

Sincerely,
