Dear Professor Yang,

Following previous contacts and fruitful collaboration between our Laboratories and Institutions we would be delighted if you could visit us in Lodz in 2018. As the date of your visit we propose the period 8-12, or 24-30, January 2018, at your convenience.

We shall pay your travel and accommodation expenses and other local costs during your stay here and fully support your application for an Entry Visa to Poland.

Looking forward to your coming here, have my best regards.

Sincerely Yours

Prof. Zbigniew J. Leśnikowski, Ph.D.  
Institute of Medical Biology PAS  
Head, Laboratory of Molecular Virology  
and Biological Chemistry
