British Consul  
British Consulate

For the attention of the British Consul

Dear Prof. Jiang,

This is to confirm that Yong Jiang is invited to attend and present at the Traditional Medicine Forum. This event is to be held at Waters Corporate Centre for Mass Spectrometry Technology Research, Development and Manufacturing in the United Kingdom from August 30-September 2<sup>ed</sup>.

The goal of the traditional medicine forum is to create an open environment for well-renowned researchers to have insightful discussions about the modernization of analytical technologies for traditional medicine. This will be an international forum that will gather experts from North America, Europe, and Asia.

Waters Corporation will undertake to bear their boarding and lodging and any other incidental charges during their visit.

Hotel accommodation has been booked at Hilton Manchester Airport.

Should you require further information, please feel free to contact us.

Yours Sincerely

Brian Smith  
Vice President  
MS Instrument Technology  
Micromass UK Ltd.
